

Dear South Shore H.O.G. Members,

My name is Ron Morse, and I was recently elected to the Director's position for 2010. Some of you may not know me, so I thought I'd introduce myself, give you a little background, and share my visions for the upcoming year.

I'm 50 years old, I live in Rockland, and I've been riding since I was old enough to hold up a mini-bike. I am a family man with 5 kids, 3 grand kids, and have helped over 40 foster kids. I've done years of charity work with both the State of Massachusetts and other local agencies. I am also the General Manager of a local sheet metal company in Stoughton. And most of all, I love to ride my 2007 Harley Electra Glide Ultra Classic.

I plan to carry on the solid and long-lasting tradition of the South Shore H.O.G. Chapter as did all my predecessors. I will strive to keep this organization a vibrant, family-oriented, fun and outgoing club to be a member of, and to welcome new members to. Charity work is an important part of SSHOG, and I intend to keep up our commitment to these types of organizations. In the coming year, some of my visions are to boost membership in a wide range of age brackets, and I also have a Ladies of Harley (LOH) group up and running once again. I will revive the Newsletter program, especially for those SSHOG Members who are not email or web savvy. I would also like to update the website with a more modern look and feel, with the re-implementation of a private "Members Only" area.

I have chosen most of the Officers positions - there are a few still open, and I hope to have them filled prior to our first meeting on the Tuesday, January 19th, 2010. For those of you who do know me, you know that I am the "New Guy", and because of that I want everybody to know the choices I made for Officer Positions were purely made on their abilities, knowledge and commitment to this club. I am loyal to a fault, but I don't play favorites to anyone.

There are many tasks to accomplish this coming year, and we are ready for the challenge, but above all I want everybody to have the benefit of being a member of SSHOG, and to enjoy all the riding and events to come in 2010.

In closing, I hope that everybody had a wonderful, safe and healthy holiday, and will have an even better riding season ahead.

Thanks again!

Ron Morse
